Eagle Ropes (Pty)Ltd is an industrial rope access, maintenance and cleaning company. Rope access is an alternative to scaffolding and mechanized access such as cherry pickers. These traditional methods have many known disadvantages for example; scaffolding can be extremely expensive, slow to erect and inconvenient in terms of space and appeal.

Cleaning using the most effective and efficient methods to ensure quality results

Eagle Ropes (PTY) LTD is a professional cleaning company which was established by a group of young entrepreneurs. The company places strong emphasis on quality cleaning which is carried out in a safe manner . We maintain very strict adherence to industry standards as published in SABS. Eagle Ropes is 100% black owned and managed

Mission Statement

Our mission as a company is to provide the best quality service to our entire base whether big or small, through dedication, hard work, motivation and consistently improving on current needs that have to be met for our clientele by giving and producing distinctive and value services each time. Our mission as an employer is to treat our staff with dignity, equality, fairness and to provide them with the best training. To offer them support and safe facilities to perform all their duties required from them to the best of their abilities

Vision Statement

As Eagle Ropes (Pty)Ltd we envision our business succeeding and being sincere in all its business dealings. We envision a business that will remain consistent in improving internally within our teams and management structure and development.

Company Values

Commitment and Dedication

We pledge ourselves to offer the best services and positive response to the needs of the youth and communities at large.

Trust worthiness

We firmly believe in building a good and long-lasting relationships with the market targeted and communities based on honesty and mutual respect.

Transparency and Accountability

We believe in demonstrating our commitment and dedication through openness, helpfulness and by responding promptly to the needs of our communities. We believe in equality, despite gender, race, age, religion and demography.

Safety

Safety is paramount in the field of rope access work and Eagle Ropes (Pty)Ltd put great emphasis on this. We have strict work conduct and we only employ well trained and suitably certified personnel to perform rope access duties in every project. Work teams always consist of two or more technicians as to perform rescue on site, should it be needed.

Our entire personnel adhere to the strictest operational procedures and methods. Any use of drugs and alcohol on site leads to an immediate dismissal. All equipment used by the company in all its duties comply with the prescribed SABS standards and with the requirements of the Occupational Health and Safety Act, 1993(Act 8 of 1993) All our equipment is regularly inspected for any defects.
